

COOKIE POLICY

When you visit our websites, mobile sites or mobile applications, we collect your personal data for many different purposes through "cookies". We aim to be open and transparent with you as much as possible.

This policy has been created to explain to you what cookies mean and how we use them. We also explain the different types of cookies that we use and how you can change or delete them.

We hope that this policy will provide you with understandable information about the use of cookies and help you feel safe. If you have any further questions about this subject, please do not hesitate to contact us.

This Cookie Policy may be amended at any time for the purposes of revision. Take a look at "DATE" at the top of this page to see when this Cookie Policy was revised. Any changes made in this Cookie Policy will be effective when we make the Cookie Policy available on or through our Site.

For more detailed information about your personal data collected through cookies, please [review our Personal Data Protection and Privacy Policy](#).

What is a Cookie?

A browser cookie is a piece of data that is stored on your device and helps websites and mobile apps remember information about you. Technologies linked to your other device, such as internet storage and identifier, may also be used for similar purposes. In this policy, we will use the term "Cookies" to discuss all other technologies.

For What Purposes Do We Use Cookies?

We use cookies to protect your data and your account, to identify the most popular features, to count the number of visits made to a page, to improve the user experience, to keep our services secure, to make our website more user-friendly, to regulate our website according to your interests and needs, and to present online behavioural advertising activities to our users. Cookies remember information about you in order to perform the functions mentioned above and in this way they help us to provide these services to you.

Types of Cookies

We have listed the types of cookies we use on our website, mobile site and mobile applications for you. For more detailed information about the processing of your personal data through these cookies, please review [the Personal Data Protection and Privacy Policy](#).

Management of Cookies

Many internet browsers are set to automatically accept the cookies as by default. Also this setting is valid when we benefit from our website, mobile sites or mobile applications. If you want to remove existing cookies from your device, you can do so using your browser options. In addition, in case that you do not want to place the cookies on your device in the future, you can block cookies from your browser settings.

Please note that if you remove or block the cookies we use, such a situation may have some effects on your user experience on our website, mobile site or mobile applications and the site may not be used anymore. If you do not change your browser settings to block the cookies, our system will place the cookies when you visit our site or click on a link in an e-mail sent to you by us, even if you have previously deleted our cookies.
